Exam Invigilators

£9.59 per hour

We are looking to recruit additional exam invigilators for our forthcoming exam period. Working hours are typically from 8.30 am until 12.30 pm for morning sessions and 12.30 pm until 4.00 pm for afternoon sessions. Our invigilators sometimes work whole day sessions if required and flexibility is crucial to the effective invigilation of exams. These appointments are offered on a casual basis depending upon the examination timetables of the school.

This role is essential to the smooth running of the examination process. In addition to ensuring correct exam procedures are followed, the successful applicant will be responsible for the setting out and collecting of exam papers and materials, admitting students to the exam hall/room, invigilating during the exams and collating the exam papers to be sent off to the Exam Boards. The Windsor Boys' School is committed to safeguarding and promoting the welfare of children and expect all staff to share this commitment. This post is subject to an enhanced disclosure through the Disclosure and Barring Service. CVs will not be accepted in place of an application form.

If you are interested in applying for this position please access the school's website where further information can be found: www.twbs.co.uk or alternatively contact Mrs Kim Lewis, email: KLewis@twbs.co.uk; Tel: 01753 716060 Ext 425.
